Re: Pennsylvania Public Utility Commission Proposed Rulemaking  
(52 PA. Code Chs. 3, 5, 23, 31, 32 and 41)

Dear Sir,

In reference to the Pennsylvania Public Utility Commission Proposed Rule making as indicated above, I find much of the proposed rule changes very good. However, what I think has to be changed is the following: If a moving company comes from another state, they should have a rule making them have a physical warehouse, office, phone systems and employees paying Pennsylvania taxes, Local taxes, and Workman's Compensation.

Thanks you,  
Regards,
