**Subject:** Support Ch. 78 oil and gas drilling rules

I am writing to urge you to support proposed oil & gas drilling rules known as "Chapter 78."

I am opposed to Fracking - 100% OPPOSED, and I want it ended. In the meantime, - until the day that Fracking is ended once and for all - these much-needed safeguards - - five years in the making - are critical to protecting Pennsylvanians' health and environment from the risks of drilling, including hazardous open-air waste pits.

As your constituent and a voter who ALWAYS votes, I am asking you to support and finalize these rules for the sake of Pennsylvania's air, water, and public health.
