Fracking in any level is a public unsentimental.hazard. we depend on. Safe drinking water ,that
is being polluted with toxic waste as a daily occurrence. I have seen trucks bilage their loads
right on a residential road,I have seen the trucks run a school bus off the road....what makes
you think they will follow any type of so called pea regulation.....they won't ,have not and never
will.

Drink the water contaminated in butler pa....then think
