Subject: RE: Parking Authority Reg 126-7

Leslie:

The Authority's Board resolved at today's Sunshine Act meeting to withdraw the above referenced regulation related to emergency lighting on taxicabs in Philadelphia. The Board understood the concerns of the State Police and Penn Dot and is focused more on the safety camera requirements of proposed regulation 126-8.

If you require any additional notification of this withdrawal, please do not hesitate to contact me. Thank you.
