Regulation No. 126-8 (#3048)
Philadelphia Parking Authority
Taxicab Safety Cameras

On February 25, 2014, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the Philadelphia Parking Authority (PPA). This rulemaking amends 52 Pa. Code Sections 1017.5 and 1019.8, and adds Sections 1017.71 to 1017.77. The proposed regulation was published in the March 8, 2014 *Pennsylvania Bulletin* with a 30-day public comment period. The final-form regulation was submitted to the Commission on June 16, 2014.

This regulation establishes the new requirement for all taxicabs to have safety cameras.

We have determined this regulation is consistent with the statutory authority of the PPA (53 Pa.C.S.A. § 5722) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

BY ORDER OF THE COMMISSION:

This regulation is approved.

George D. Bedwick, Vice Chairman
