Subject: Proposed Rulemaking - Additional RACT Requirements for Major Sources of NOx and VOCs

Re: Proposed Rulemaking - Additional RACT Requirements for Major Sources of NOx and VOCs

The Environmental Quality Board (EQB) has received the following comments regarding the above-referenced proposed rulemaking.

Commentor Information:

William Orkoskey
 Resident of Pennsylvania (don@wdophoto.com)
 3620 Elmhurst ave
 Pittsburgh, PA 15212 US

RECEIVED

Comments entered:

These rules are not good enough. Please stop selling our health to the polluters, it's not yours to give, it's yours to ensure, and this is anything but. We have a right to clean air and you are obligated to protect that right, not to be whores for industry. Straighten yourselves up, stop selling out the citizens of Pennsylvania, and do the right thing.

No attachments were included as part of this comment.

Please contact me if you have any questions.

Sincerely,
 Hayley Book
