Mr. David Summer, Executive Director
Independent Regulatory Review Commission
333 Market Street, 14th Floor
Harrisburg, PA 17101

I write to you today to express my strong support of the Pennsylvania Public Utility Commission (PUC) and their recent regulation changes that will greatly benefit the electricity consumers of our Commonwealth.

I believe that these new regulations will not only allow consumers to switch providers more quickly and easily than in the past, but they will be able to do so with more transparency and with clear understanding of the terms of the contracts that they choose.

I kindly ask that these regulations are approved quickly, and if there is any way that I may assist you in this matter, please feel free to contact me.

Sincerely,

A handwritten signature in black ink that reads "Scott Conklin".
