Regulation No. 7-486 (#3057)
Environmental Quality Board
Administration of the Land Recycling Program

On April 28, 2014, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the Environmental Quality Board (Board). This rulemaking amends 25 Pa. Code Chapter 250. The proposed regulation was published in the May 17, 2014 *Pennsylvania Bulletin* with a 31-day public comment period. The final-form regulation was submitted to the Commission on May 13, 2016.

This regulation updates the Statewide health cleanup standards, corrects errors and omissions, and clarifies certain established program policies.

We have determined this regulation is consistent with the statutory authority of the Board (35 P.S. §§ 6026.104(a) and 6026.303(a)) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

BY ORDER OF THE COMMISSION:

This regulation is approved.

George D. Bedwick, Chairman
