Regulation No. 57-303 (#3059)
Pennsylvania Public Utility Commission
Electronic Access to Pre-Served Testimony

On May 1, 2014, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the Pennsylvania Public Utility Commission (PUC). This rulemaking amends 52 Pa. Code Chapter 5. The proposed regulation was published in the May 17, 2014 *Pennsylvania Bulletin* with a 30-day public comment period. The final-form regulation was submitted to the Commission on October 1, 2014.

This rulemaking amends the PUC's procedural regulations to require parties, within thirty days after the final hearing in an adjudicatory proceeding, to either file electronically with or provide to the PUC a compact disc containing all the pre-served testimony furnished to the court reporter during the proceeding.

We have determined this regulation is consistent with the statutory authority of the PUC (66 Pa. C.S. § § 332, 333 and 501) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

BY ORDER OF THE COMMISSION:

This regulation is approved.

John F. Mizner, Esq., Chairman
