**To:** ST, RegulatoryCounsel  
**Subject:** Change in CE regulations

PA State Regulatory Counsel:

Live seminars would be fine, if held at a convenient location near the provider, and at a reasonable cost. I live in Breezewood, Pennsylvania and I refuse to travel to Philadelphia or Pittsburgh where I will be required to pay a high price for a hotel room, turnpike toll, and meals.

I can take online CE classes in the convenience of my home, without interruptions, and at a very reasonable cost.

Stanley S. Manges, D.C.
