**RE: Regulation Number 125-184 (IRRC# 3075)**

Dear Mr. Sumner:

On October 10, 2014, the Gaming Control Board submitted the final-omit rulemaking 125-184 arising from an Attorney General legal opinion that the regulatory prohibition on firearms possession within a licensed facility was superseded and no longer enforceable. At this time, the Board is rescinding the final-omit regulation from consideration based upon a drafting issue and will resubmit the amendment at a future date.

Should you have any questions, please contact me.

Sincerely,

Susan A. Yocum  
Assistant Chief Counsel
