Re: Credit Card payment for Malt and Brewed Beverages

As a Licensee, LID No. 53314, it would be very beneficial for us to have the ability to purchase Malt and Brewed Beverages with our company Credit Card.

Our company policy requires two signers on every check and we do not always have the availability of two authorized signers which at times can cause the malt/brewed beverage provider to have to make an additional visit to deliver the beverages and receive the immediate payment which is currently required by PLCB rules.

Thank you for accepting our support of utilizing credit cards as a method of payment.

Sincerely,

YORK COUNTY AGRICULTURAL SOCIETY

Marcia Hallman
Operations Administrator
Liquor License Manager

Michael A. Froehlich
General Manager
