Dear Cindy,

I would like to provide you with my written agreement and support of the amendment to section 23.85 changing the 8 month provisional for schools.

Thank you for your efforts in this matter.

I would invite further discussion of the personal/moral exemption that is often misused my parents that wish to be non compliant with immunization recommendations, however do not actually have moral/religious beliefs of this nature, but rather use the exemption as a loop hole.

Again, many thanks.

Michelle Grazio
