Subject: Proposed Rulemaking (29 PA. CODE CH 23)

2016 APR 29 AM 9:58

Dear Ms. Findley,

My name is Wendy Thomas, I work as an LPN in the Northwest Area School District, and I am all in favor of the new proposed rules that a student should have ALL mandated Kindergarten Immunizations when they start Kindergarten. If they do not have them complete the first day of school they should not be allowed to start until they are caught up. I waste so much time trying to get parents to get the Immunizations completed and they wait until the final hour to have them done.

Not only do I waste my time, but paper and phone calls as well.

It would truly make our lives less stressful and we would have more time to work on more important items in our offices, such as direct student care.

Sincerely,

Wendy Thomas, LPN
