Hi Sue,

I sent this email to Rose, but got a response back that she will be out until 5/9/16. We are wanting to send information out to our parents in the district at the end of the school year informing them of the proposed revisions to the immunization regulations. We are in need of some clarification. I thought I would forward the questions to you to see if you could help answer them.

Thanks and have a super weekend!

Holly
