Subject: Notice to IRRC re: EQB #7-535 (IRRC #3150)

This letter constitutes notice to IRRC from the Chairman of the House standing committee with oversight of EQB #7-535 (IRRC #3150) of intent to review the proposed regulation.

In accordance with the Regulatory Review Act, this notice is provided sooner than 24 hours before IRRC's consideration and IRRC should defer consideration accordingly.

John A. Maher
Chairman
Environmental Resources & Energy Committee
House of Representatives

Re: Notice of Intent to Review
EQB #7-535 (IRRC #3150)

2017 NOV 15 A 9:53

RECEIVED
IRRC

Gentleman:

This letter provides context for the above-referenced Notice delivered to IRRC yesterday.

House Standing Committee majority Chairs have exclusive authority to call meetings and establish agendas for those meetings. Consequently, not only do majority Chairs have authority to express intent to review but that is the only manner that such intent to review can arise.

Sincerely,

John A. Maher
Chairman
