Subject: comment on proposed 6100 regulations

Dear Ms. Mochon,

My name is Mary Ellen Desiderio, I am the Administrator of Residential Services at St. Joseph's Center and I am part of the Administrative Team. I help to manage the Scranton ICF/ID program and 2 community ICF/ID programs. The individuals that we provide services to are non-ambulatory to a large degree (almost 90%), are non-verbal and typically have chronic medical conditions such as cerebral palsy and seizure disorders. My comments are in part motivated to be their voice, I think it is important to be able to provide services effectively for these individuals and to do so in a safe manner. I feel that some of the proposed requirements take time and attention away from direct service and provide more unnecessary bureaucracy. I thank you for taking my comments under consideration.

Sincerely,

Mary Ellen Desiderio
Administrator of Residential Services
