Carlisle, PA 17013 US

RECEIVED  
IRRC  
2017 SEP -5 P 2:05

Comments entered:

Providing clean drinking water is a primary responsibility of any government since it has a direct effect on the health and well-being of all residents.

If the Commonwealth cannot inspect all sources of drinking water for residents, it is not fulfilling its responsibilities. Having sufficient numbers of trained inspectors is necessary and this lack should be addressed as quickly as possible, and funding for this department should never fall below the amount needed to provide this service.
