Subject: Comment received - Proposed Rulemaking: Safe Drinking Water General Update and Fees

Re: eComment System

The Department of Environmental Protection has received the following comments on Proposed Rulemaking: Safe Drinking Water General Update and Fees.

Commenter Information:

Nicole Alger
(magilagudy@aol.com)

Comments entered:

I applaud the DEP for the proposed rule making in support of increasing the number of water quality inspectors in PA. The quality and safety of our drinking supply is paramount. I support the proposal to increase fees to pay for the inspectors. The fees should cover the cost to not only inspect Pennsylvania's water facilities, but also to aggressively enforce the DEP regulations.

Thank you.
Nicole Alger
