Dear DEP Regulatory Agency:

I am writing in support of the proposed rulemaking titled Safe Drinking Water General Update and Fees. I support all of the proposed regulations, and in particular the increase in fees to fund additional water safety inspectors in PA. Pennsylvania's ratio of water safety inspectors to water facilities falls well below the ratios of our neighboring states. Protecting our water sources through rigorous and frequent regulatory inspections is fundamental to promote the health and safety of all citizens.

Thank you for proposing this fee increase to support the protection of all Pennsylvanians.

Sincerely,  
John Henson
