Subject: Regulation #12-106 Overtime eligibility rules

Dear Independent Regulatory Review Commission,

Thank you for the opportunity to comment on proposed regulations submitted by the Pennsylvania Department of Labor and Industry (L&I). These regulations are intended to update the rules that determine if an employee is required to be paid overtime.

I like the regulations that the Obama Administration submitted. Please do not change them. Employees need to be paid well and these rules as they were proposed by Obama are not a problem at all.

Thank you for considering my views on this important matter.

Sincerely,

Denny Cregut
