Dear Ms Wolfgang,

By now I am sure this email address has been flooded with concern over the potential increase of the initial/renewal fee for massage therapists. I understand the need for an increase but to jump from \$75 to \$200 for renewal is extreme. There are those of us that are new to the industry and are still trying to make our way. A \$200 fee is a drastic increase. PLEASE do what you can to stop this increase from happening.

Thank you!

Andrea Hilborn
