I am writing regarding the proposed fee increases. I have been a Massage Therapist for over 20 years. I have an established clientele. The fee increase will hurt many Therapist that are not as established or working for their practice part-time. It is incredible increase to jump from \$75-\$200, wow that's absurd. We still have many Asian and unscrupulous practices in PA. Is the increase to help bust these places. I think we are owed an explanation as to the fee increase!

Thank you,
