Hello Jacqueline,

I have been a Massage therapist for 18 years. It doesn't make one a millionaire. I got into this profession to help people and have an income that would supplement my other job to pay bills and cover expenses to run

a small Therapeutic Massage business. With the cost of classes to maintain CEU's, license, travel, takes my time and money. Breaking even yearly.

I understand "things" are going up in price, but please reconsider on NOT raising the prices so **high** to obtain a license every two years.

Thank you,
Deborah Eisenhart, LMT
