Subject: Proposed Renewal Fee Increases

I am writing today in order to oppose the proposed increase in the license renewal fee for massage therapists. I find this fee to be blind-siding and unfair to a group of people who are already paying large sums out of pocket just to keep up with the required education. I feel we are being taken advantage of. It is becoming more and more expensive for LMTs just to be able to work their day job. If this fee rises this exponential rate, I fear I will no longer be able to be in this profession, which was my dream profession. Please reconsider this proposal or else you may lose a lot of quality people from this field.

Sincerely,

Donna Mayo, license number MSG010438
