Subject: Increase for massage Therapists
Date: Tuesday, July 3, 2018 12:51:23 PM

To whom this concerns,
I am disappointed and discussed that our massage therapy board has raised our renewals EVERY YEAR since weve had a board!!! To penalize us whom follow the laws is outrageous when I've turned in several UNLICENSED massage therapists who are NOT fined. Our board is a JOKE this would NEVER FLY on the Cosmetology board!!
These increases are killing our profession and I am requesting a financial report on what I hear is a BANKRUPT BOARD
