Dear sir or Madam

The huge increase of the biannual renewal is not very fair and honestly not warranted at all. I am a hard working therapist and I don't feel that I should pay that huge of in increase, I could understand \$100 even \$125 but honestly, what is the reason for the increasing that much? It doesn't need to happen. Be sure that I will let my fellow therapist know how to contact you and register a complaint  
thanks you for your time
