Subject: Rate Increase for massage license renewal
Date: Tuesday, July 3, 2018 2:57:23 PM

Please do not approve the rate increase to \$200 for massage license renewal! That jump is unreasonable. It will make it very difficult to be able to keep up with all the expenses with the income we make as therapists. I love doing massage and would like to be able to afford to provide this service to the clientele I've built up over the last 15 years.

Please reconsider approving the rate increase.

Thank you,
Leah Cannon
