Independent Regulatory
Review Commission

From: lesnjackbauer
To: SL Regulatory Counsel
Subject: Rate increase.
Date: Monday, July 2, 2018 2:02:19 PM

I see absolutely no reason for a rate increase to fill out a form online. It already costs us so much money for continuing education (usually more money than other occupations) because they can do credits online. We pay enough in license renewals and CEUS already.
