To whom it may concern:

My Name is Levi Collins. I am a massage therapist here in Pennsylvania. I have read some alarming infirmation mentioning there is a proposed increase of CE credit approval and the Bi-annual renewal fee for our licensing.

There are a lot of therapist who simply don't make enough as it is to make a living. I would speak to you to not make the proposed increases. It's already hard for therapist like me who are just starting and building a business and then to be hit with these increases it makes it verry difficult to build a business. Also the fact that I'm a male massage therapist makes it more than four times harder for me to build clients.

I take pride in my training and have worked hard to get where I am. Thank you for allowing me to make this appeal. I look forward to hearing from you about this issue and look forward to possible solutions to help resolve any problems or concerns.

Respectfully,

Levi Collins L.M.T.
