Subject: Proposed Fee Increases for Massage Therapists: Regulation #16A-724 (IRRC #3203)
Date: Monday, July 2, 2018 2:03:57 PM

Hello and to Whom it May Concern:

I am writing today regarding the proposed increase for the biennial renewal fee for Massage Therapists from \$75 to \$200.

This incredible increase is over 100%! If this increase takes effect I will decide to discontinue my renewal of my hard earned national board certification because I will no longer be able to afford my collective taxes, insurances, permit fees, continuing education classes and other professional requirements.

The amount of the increase is outrageous and does nothing to promote the profession in the state of Pennsylvania. It is an onerous increase and I am completely against it and will let all my peers know that I disapprove.

Please reconsider this increase and adopt a more reasonable increase instead!

Sincerely,

Renee G PRincipe, LMT, BCMT
