JUL - 9 2018

Independent Regulatory
Review Commission

Hello,

I disagree strongly against the raising of fees for my license renewal as well as the costs associated with all the other licenses. I request that these changes not be made. I myself and an LMT, and if these changes are made I can guarantee me, and my money, leave this state. There's too many fees and taxes in PA.

Sincerely,
Shaelyn O'Riordan, LMT
