Hello,

I'm writing to voice my opinion on the proposed relicensing fee. I think that an increase of \$125 is exorbitant. Massage therapy is not a very lucrative career and most therapists already have a number of overhead costs and operating expenses (rent, employees, taxes, marketing, supplies, laundry services, continuing education classes, insurance, licensing fees, etc.) This huge increase would be a detriment to many therapists. I'd like to request that the Board rescind this proposal and consider something more reasonable. If an increase is absolutely necessary, I propose an increase from \$75 to \$100, which would be much more reasonable.

Thank you,  
Jennifer Taylor, LMT
