Subject: Proposed Fee Increases for PA Massage Therapists
Date: Friday, July 6, 2018 1:34:20 PM

This would be a hardship for the majority of part time massage therapists. I've been a therapist for over 20yrs. and even complying with CEU requirements is quite expensive, \$400 +.

A jump from \$75 to \$200 is akin to FLEECING of this semi-medical profession.
