Dear Ms. Wolfgang,

I am sending my response regarding the proposed increase to the PA massage license renewal cost. I am opposed to this substantial increase; this is a hardship for me, my family and to the many LMT's I know.

Although I enjoy where I am employed, my pay does not reflect my work. My employer does not pay me for hours I am not booked, there are times when I may have two hours open between appointments, this is a financial loss as well as a loss of my time...money out of my pocket. I am not reimbursed for my CEU's nor am I paid for the hours I cannot work to meet my requirements, again, money out of my pocket.

I do not know why such an outrageous increase is being considered, what I ask is that some thought be given to the therapists and the hardship this increase will cause.

Thank you for your time.

Lisa R Johnson.
