Regulation #16A-724 (IRRC #3203)

To whom it may concern ,

I moved from Atlanta to Pittsburgh a month ago and i just got my licensed in PA. When i heard that i have to renew my license in January 2019 and the renewal fee goes up from \$65 to \$200. I think its very over price. I couldn't afford it. I have 2 kids and unemployed husband. I dont make enought money being a massage therapist. Plus i have to pay for expensive CEUs to be able to renew my license. I think this is so unfair and greedy. I want to make a living here with my professional but its too pricey to be a massage therapist.

Best regard,  
Nahatai Hall
