Hello,

I am writing to express my dissatisfaction with the proposed increase of the Biennial Renewal fee for a massage therapy license. I have been a licensed massage therapist for the past 5 years. I feel that a 125% increase is extreme. This is extreme because we (massage therapists) also pay to take our continuing education classes every two year renewal period plus CPR class fee and mandatory reporting. These continuing education hours on average run me around \$500.

Please do not raise the massage therapy license renewal fee!

Thank You,
Stacie M. Gault L.M.T.
