Dear sir/madam,

My name is Athina Gore. I finished school and i am currently working but with what i earn i cannot afford paying the fee from 75 dollars to 200 dollars.. So, my question is am i going to receive anything in exchange from the amount i am going to pay? The ceu's are expensive, plus i have my personal insurance \$ 200 per year, plus other family expenses, so for only one application do i have to pay that much. I don't agree with it and a lot of other therapist have the same opinion, and i'm thinking to leave this profession without even started it. Thank you.
