I am writing to you about the increase on the massage therapy license renewal. As a LMT I love my career. This increase will make me

Leave this career that I love so much. I work off commission, some days I can't even afford to put gas in my car. After CUEs, liability insurance and renewal fees, I will not be afford to live in my house. I understand there needs to be an increase but not that much of an increase. Thank you for your time. I really hope the board reconsiders this absurd increase.
