I am writting you today to ask that you reconsider the increase of the lincenure to \$200.00 ,I do understand that there may have to be a Increase.

This will be a hardship on my finances. As a Lmt who works on commission my income varries

And can not always count on "x" amount each week

And when you add in continuing education credits , CPR, ethics and now the child abuse this all adds up

Making it harder to stay in a most amazing career

Please reconsider this increase as it affects many therapists and business owners will be as there will be ait who choose another path in life

Thsnk you for your time
