To Jacqueline A. Wolfgang, assistant council.

Greetings, I am a part-time massage therapist living and working in PA. I am writing regarding the proposed biennial renewal fee increase from \$75 to \$200. As a part-time therapist (I have two small children and can only work at certain times when I have child-care.) the proposed increase is a substantial amount. When CE costs, CPR cost, Insurance cost and licensure renewal are all taken into account the fees are TOO MUCH. I ask that you would please take my position into account and vote not to raise the fees.

Thank you,

E. Gingrich
