Subject: Massage therapy fee renewal Increase
Date: Thursday, July 19, 2018 7:50:14 PM

I stand with many others to say that raising the fee for renewal from \$75.00 to \$200.00 is not acceptable or even viable. It is quite an increase, especially for those of us in small business and will be a burden on many. I hope that you listen to reason and choose not to make this increase.

Thank you,
