Hello. My name is Katie Cassidy.

I have received the information regarding the increase in licensure fee's for the state of PA. This will be my second year renewing my license. I value the profession along with the hard work of the board in Pennsylvania.

I have had a very small amount of time to reflect on the issue and would like to know where i can find more information regarding the budget.

With the small amount of time i had to reflect, i am not opposed to a fee increase to some extent. Still, I would feel comfortable with more information about where the money is expected to make the most impact and what positive changes in our massage community can we expect from this?

I do plan to attend the meeting but any additional information or resources you could provide to me( and my fellow coworkers) would be appreciated. I am very happy to be a part of this community and appreciate the time someone can take to educate me further.

Thank you very much,  
Katie Cassidy
