To whom this may concern:

I called about a month ago to find out the current fee for this coming renewal and was told it would be \$75.00. I feel that \$200 is a bit steep in conjunction with all the other operating expenses I have. In addition to massage therapy being regulated CEU ect, how is the State Board of Massage Therapy of benefit to me? What exactly is your role? Also, how many individuals are on the payroll?

Marianne Melino
