To whom it may concern, as you know massage therapists work off of Commission. Our CEU's are often not inexpensive. And \$200 for a license renewal is overkill. Massage is not like nursing or a doctor where you prescribe and treat so there's more of a chance of malpractice. We are here to make people feel good and on occasion help people to move better. Please don't raise the renewal process to \$200. There is no need for it to be that high.
