To Whom It May Concern,

My name is Rebecca Hepler. I am a Massage Therapist working in Schuylkill County. It has been brought to my attention that the price for my license renewal will be increasing from \$75 to \$200. That is an increase of over 166%. I feel that such an increase is outrageous especially since we have to spend money on continuing education classes. I ask for you to reconsider this decision. This is a huge blow to the Massage Therapy community. And increase in price would be fine, if it was gradual, however most people will find it hard to come up this the difference in such short of time.

Thank you for your time,

Rebecca Hepler LMT
