I'm a massage therapist and I do just want to say raising a renewal fee from 75\$ to 200 is absolutely ridiculous. If your running that much of a debt that you need to hit the people your working for this hard then you shouldn't be in charge at all. The fact that your running a debt to begin with that big is shameful! 200 dollars, ridiculous. Make cuts else where, did you ever think of that, probably not because your in government. Thanks a lot.
