RE: Biennial Renewal of License – From \$75 to \$200

I would like to submit my formal objection to this proposed fee increase for biennial license renewal. Given the nature of the services provided by the board, this increase of 167% does not seem reasonable. What additional benefits are licensed massage therapists to expect with this new exorbitant fee? An increase in fee to cover rising costs is one thing, but proposed fee of \$200 does not seem fair.
