Subject: Fee increases
Date: Tuesday, July 17, 2018 11:01:06 PM

To whom it may concern,

Please don't raise the fees that we need to pay for renewal, and to do the continue education . That's a very big increase !

It's hard for us to maintain a full schedule and work enough to keep up the costs to be in this profession.

Thank you for understanding & listening to this request.

Sincerely ,

Susan Pantalone , LMT
