Hi Courtney. My name is Dawn Vonada and I am the owner of North Star Behavioral Health Services in Venango County, PA. I recently was able to print off the general provisions of the upcoming changes for Intensive behavioral Health Services and I have a quick question regarding credentials. Are LPC's still able to provide BSC services to ASD clients with the upcoming new changes?? It wasn't clear to me in what I was reading. I appreciate your time and response to this question.

Sincerely,  
Dawn Vonada
